

Application No.: 10/767708

Case No.: 58331US003

REMARKS

Claims 1-23 are pending. The Applicants thank the Examiner for the March 9, 2006 telephone conference with the Applicants' representative. During this conference, the Examiner told the Applicants' representative that the sole outstanding issue in the above-referenced application is the provisional double patenting rejection over all pending claims of copending Application No. 10/770,604. Because the Examiner has notified the Applicants that the '604 application has now been allowed, the Applicants submit herewith a terminal disclaimer in compliance with 37 C.F.R. 1.321(c) to overcome this rejection.

In view of the above, it is submitted that the application is in condition for allowance. Reconsideration of the application is respectfully requested. Allowance of claims 1-23 at an early date is earnestly solicited.

Respectfully submitted,
